Volume 75 — Number 4 — December 2024 — Quarterly

The effect of intraoperative furosemide administration during minimal invasive oesophageal surgery on the occurrence and prevention of postoperative acute kidney injury - A retrospective observational cohort study

P. VAN SPEYBROECK, H. SCHAUBROECK, E. VAN DAELE, W. VANDENBERGHE, P. PATTYN, H. VANOMMESLAEGHE, E. HOSTE, L. DE BAERDEMAEKER . . . . . 267

Intravenous Lidocaine reduces cough but not propofol dose during gastroscopy: a prospective, randomised, controlled, double-blind study

O. ASSAM, L. JAUBERT, O. DUTANTEAU, A. GILBEAU, M. LALMAND, N. NATIS, T. TUNA, C. BOUDART . . . . . 279

Ultrasound-Guided Erector Rhomboid Intercostal and Subserratus Plane Block (RISS) for perioperative analgesia in patients undergoing thoracotomy: a prospective randomized controlled study

G.M. EID, M.M. ABU ELYAZED, S.F. MOSTAFA, M.S. ABD ELGHAFAR . . . . . 287

Role of Peripheral Nerve Blocks in the Preoperative Pain Management of Hip Fractures in the Elderly: a Narrative Review

B. DÖNMEZ, D. VANHONACKER, R. LAMMENS, J. BHUTIA . . . . . 297

Norepinephrine versus phenylephrine for post-spinal hypotension during caesarean section

S. CLAES, S. REX STEFFEN, M. VAN DE VELDE . . . . . 309

Update on the perioperative management of obstructive sleep apnea adult patients: a narrative review

K. RAVEN, M. AZONGMO, V. BONHOMME . . . . . 359

Postoperative respiratory complications (PORC) in children with obstructive sleep apnea syndrome (OSAS) undergoing tonsillectomy: a narrative review

A. GROENENDIJK, V. SALDIEN . . . . . 375
